English Chrysanthemum Surplus

We have a small surplus of the following varieties in well-rooted plants to be offered for immediate shipment only. If you have a greenhouse to hold these in this is a very good buy.

Do not ask us to hold them as we must have the space.

Price \$10.00 per 100

Do not order less than 100 plants all together. Mark in the squares the amount of each you want and return card with your order.
